

# Gar Wood Boats by the Numbers

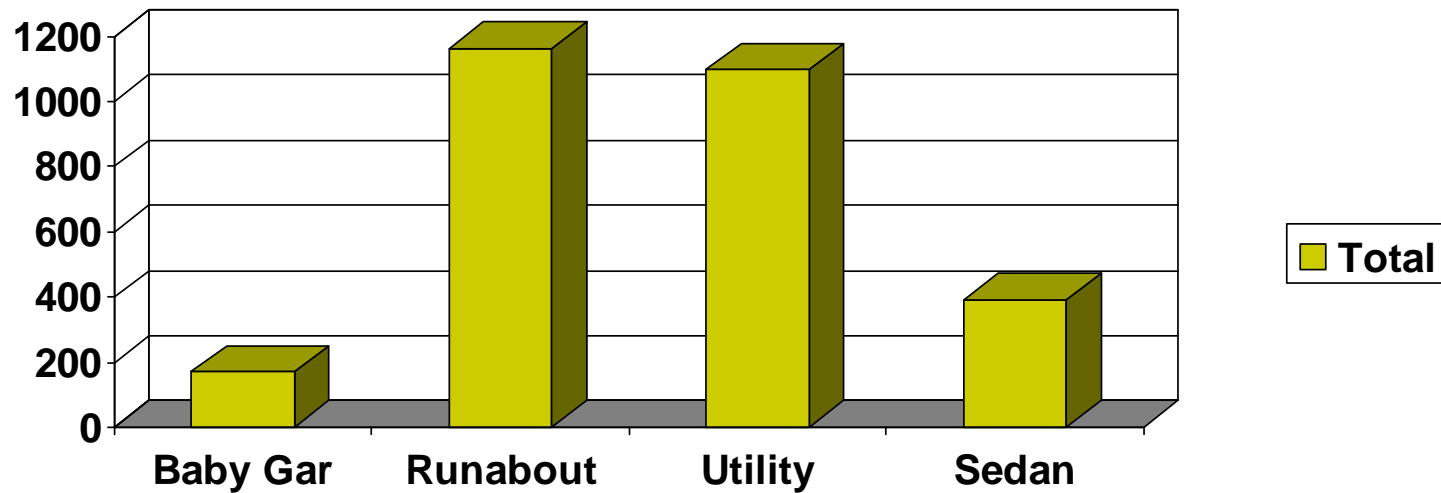

---

- **Of the 3,009 total number of Gar Wood's ever produced, only 299 of them (or 10%) are registered today with the ACBS.**
- **188 of the 3,009 Gar Wood's were built for the Military during 1942 to 1945.**
- **The single most popular model was the Gar Wood 16' Ensign Utility that was produced in 1946 and 1947 and accounted for 675 of all Gar Wood's ever produced (or 22%).**
- **However, less than 8% of all registered Gar Wood's today are Ensigns.**
- **According to ACBS membership records:**
  - **19% of Gar Wood owners have 2 or more Gar Wood's of which, 9% of them own no other brand of boat.**
  - **72% of Gar Wood owners have at least one other boat although the additional boat (s) they own may not be a Gar Wood.**
  - **Only 4% of Gar Wood owners have 3 or more Gar Wood's.**
